## RURAL HEALTH SERVICES FOR PRIMARY CARE

### To: Farm Owners / Growers

Rural Health Services, Inc. (RHS) is a non-profit, Federally Qualified Health Center and a member of the SC Migrant Health Program (SCMHP). RHS is requesting authorization to serve the workers that are employed at your farm.

SCMHP and RHS have complementary mission statements. The mission of SCMHP is to enhance access to preventative and primary healthcare services for the Migrant and Seasonal Farmworkers in South Carolina. The mission of RHS is to provide accessible, quality, comprehensive primary healthcare services in a dignified and culturally-competent manner to the population in Aiken County and surrounding areas. They are unified in providing excellent and affordable healthcare.

The Community Health Express mobile unit provides an array of primary and dental services. The mobile unit has a nurse practitioner, medical assistant, dentist, hygienist, and a dental assistant to deliver needed services.

We provide the following services:

PRIMARY HEALTHCARE	DENTAL	ASSISTANCE
Blood Pressure Checks	Limited Oral Exams	Translation/Interpretation
Flu Shots	Cleanings	Referral
Glucose Checks	Extractions	Health Education
Physical Exams	Sealants	
Pregnancy Tests	Fill-ins	

We look forward to working with you and scheduling your camp for services. We will contact you soon to discuss details and answer any questions. In the meantime, feel free to contact Wendy Lopez at 803-262-4279 or 803-618-9015.
